

0000!!!!

ha ha ha ha ahaha ahahaha

yea! I got it!

[CHORUS]

**WISE UP BE SMART!
DON'T MAKE ME PAINT A BITCH
BE TRUE TO THE ART
LIKE A SPARK, IN THE DARK
LET IT SHINE, BRING IT ON, BRING IT ON!**

I GOT THE BIG CALL

I GOT TO KNOW WHAT'S ON

!CALM DOWN!

I GOTTA GET GOING

I GONNA BE GOIN' FOR LONG

[VERSE 1]

I've been standin, in the line with 1000 artists
and each of them assign to get a trip for gratis.
Being number only one to be chosen to be gone means a lot to me,
fuck the envy and the rumours, hey I gonna fullfill my plan
write the scripts, shoot the pix
draw a 100.000 flix
working, working, steady stance
Keep your system fresh, keep your system growing,
vanishing artists left and right
do you have a gallerist by your side?
Feel free to hate cos i ain't tryin' to be your mate,
working on projects with a shifting focus
check the neid magazine ten to one
knowledge in every picture, texts by the tonne,
t-ina darling is my name,
coming partly with my crew right now directly at you!

[CHORUS]

**WISE UP BE SMART!
DON'T MAKE ME PAINT A BITCH
BE TRUE TO THE ART**

**LIKE A SPARK, IN THE DARK
LET IT SHINE, BRING IT ON, BRING IT ON!**

I GOT THE BIG CALL

I GOT TO KNOW WHAT'S ON

!CALM DOWN!

I GOTTA GET GOING

I GONNA BE GOIN' FOR LONG

[VERSE 2]

I speak about the artist, the artist as
a resident,
working as a stranger in a foreign
land.
You are not ready for this,
You better clean your glasses cos this
is t-ina darling.
Here comes the gal with the jive she
comes and needs no studio
Cos coming in a concrete room makes
me moody yo.
Who has ever seen a chick like me
doing so?
Do I wanna waste hard to get money
on a landlord? No!
I can work on the streets,
speak with the peeps
Live like the freaks
At night listening beats
Your picture of an artist - for me too
antiseptic, calm - don't get hectic,
I don't accept it, You got a bright
future
Don't let my shit affect it!

0000!!!!

ha ha ha ha ahaha ahahaha
yea! I got it!

[CHORUS]

**WISE UP BE SMART!
DON'T MAKE ME PAINT A BITCH
BE TRUE TO THE ART
LIKE A SPARK, IN THE DARK
LET IT SHINE, BRING IT ON, BRING IT ON!**

I GOT THE BIG CALL

I GOT TO KNOW WHAT'S ON

!CALM DOWN!

I GOTTA GET GOING

I GONNA BE GOIN' FOR LONG
